

REPORT MY DRIVING

- Peel away the protective backing of the decal to reveal the adhesive.
- Clean the surface of the vehicle and leave damp. Apply the decal to the rear of the vehicle according to the image below, then squeegee the decal to remove excess water.

Install on rear right of vehicle

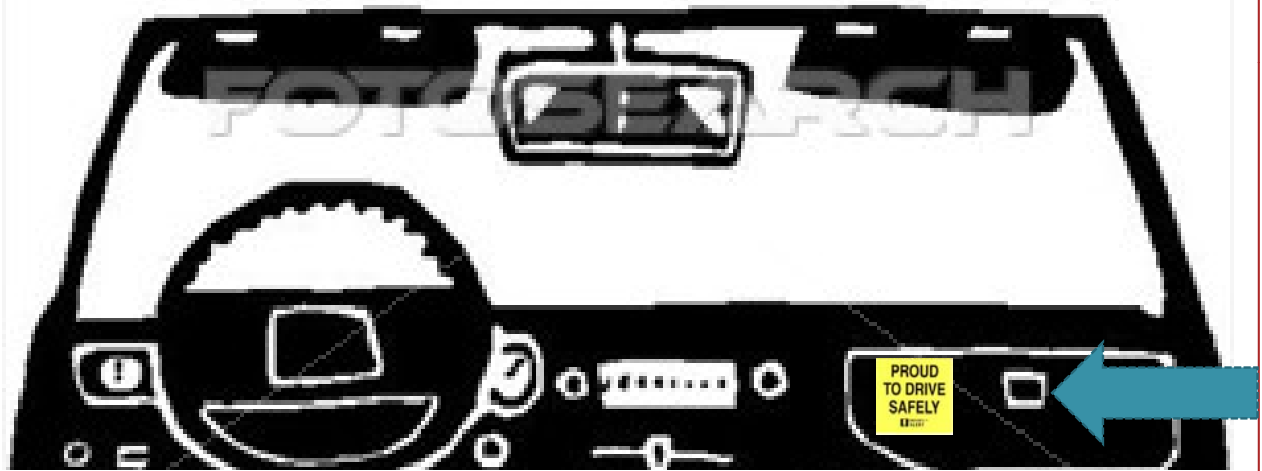

Install on the driver's side window above the door handle.

Goal Decal

Install Decal on glove box, being careful not to obstruct the airbag.

Proud to Drive Safely
